RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT AND FOR CAUSE AS FOLLOWS:

Defendant shall notify the probation officer within 72 hours of any change in residence or employment.

On April 27, 2010, the United States Probation Office received electronic notification that the Pittsburgh Municipal Court issued a warrant of arrest for the supervised releasee, at OTN G496278-6, which charges him with felony grade theft. He is alleged to have stolen cash from his employer, McDonald's, located at 608 Wood Street, Pittsburgh, Pennsylvania. He was terminated from his position as a swing shift manager trainee on April 16, 2010, after he failed to return from a break.

Since February 11, 2009, the supervised releasee resided at the YMCA, 600 West North Avenue, Room 335, in Pittsburgh, Pennsylvania. The probation officer's last direct contact with the supervised releasee at this facility occurred on April 12, 2010. Direct contact with the supervised releasee was attempted on April 28, 2010, but was unsuccessful. YMCA staff have indicated that the supervised releasee has not resided at the facility for the past week, and his lease officially terminated effective April 27, 2010.

As required by the conditions of his supervision, the supervised releasee failed to make any notification about the change in residence or employment to the probation officer, and his present whereabouts are unknown.

PRAYING THAT THE COURT WILL ORDER a bench warrant be issued for the arrest of the supervised releasee for alleged violation of supervision and that bond be set at \$ _____ by a U.S. Magistrate Judge.

I declare under penalty of perjury that the foregoing is true and correct.
